

Sam Luke Chase

SINGER | SONGWRITER | MUSICIAN

Acoustic Music with no Cover

Sam has shared the stage with national acts such as Marc Cohn, Howie Day, Jonathan Edwards, Rusted Root, John Gorka, Lori McKenna, Ellis Paul, and Ryan Montbleau.

In the DIY world we live in, Sam is proving to all that great music just doesn't come from the major labels but rather if you pay attention, you might just hear the next great thing at the local bar up the street.
